AMASA'S PLAN WOS'T DO. has ever seen, as far as history or tradition goes, has still the seeds of death railroads in the country. He thinks this tion goes, has still the seeds of death within it. In truth, though our reputlic is scarce a century old, we are approaching the meridian glory of our history, and when a nation reaches that point the dangers threatening its life acpoint the dangers threatening its life accomplishing something cumulate. Our best interests pursue a line parallel with the teachings of the line parallel with the teaching and the line parallel with line parallel with the teachings of the church. Destroy the church and you pull the foundations from under the temple of society. It matters little whether that church was established by Abraham and Isaac, by Peter or by Paul, by Henry VIII of England, Martin Industry and redemption. It describes a policy that will reduce the number of idle, vagrant and vicious politicians, through whom the pecially well pleased to note the growth and prosperity of this city which is and prosperity of this city which is never greatly retarded despite many untoward events and the seeming linear toward events and the on the other, and making the track so uneven generally, that it is a wonder how the trains can be kept upon it. It must be all great cost to the company, that the level and embanked road-bed is kept in even tolerable repair, for we encountered gaugs of hands on every section, raising the sunken sills and filling under them; while we met tin Luther, John Wesley, or Alexander youd redemption, a despotism worse than that which Germany, Russia, Campbell—men will differ about details, and Austria complain of. No, Mr. Oregon, is convicted by an irreversible paring lumber for future contingencies. In traveling over this road in the cars, —and let men give ear and heart to its teachings and believe implicitly in its divine founder—and all will be well.

I should certainly feel greater security adultery, of abandonment of his lawful upon the trestles than on other portions wife, of bigamy, and yet he finds par-of it. No one traveling as wedlid through divine founder—and all will be well.

Some men think that there is danger to the republic in the teachings of the Cath—the republic in the teaching at the republic in the repub country lies not in the teachings of any branch of christian or Jewish faith; the danger is of all Protestantism—and, indeed, all others—wandering into the dreary wilds of materialism; of worshiping, like the morally rabid mob of Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, in the form of the Paris, the goddess of reason, the paris the goddess of the Paris, the goddess of t the goddess of reason, in the form of the Post says: "Such a step will open filled galleries with awe-struck multistrumpet of disbelief, and glorying in infidelity instead of "holding fast to the
faith once delivered to the saints."

If
we can save the popular heart from this a wide field for corruption, and that the Tweeds and Pomeroys, and all the Event obligations assumed for government obligations assumed for government speculations are not debts, and that event of the speculations are not debts, and that event objects and the speculations are not debts, and that event objects and the speculations are not debts, and that event objects and the speculations are not debts, and that event objects and the speculations are not debts, and that event objects and Caitage in the speculation of the ry object that the ruling rings can lay senators. makes civilization illustrious; if we fall their hands upon is legitimate political into it, the star of our happy republic plunder, will be its best friends."
